Summary

I am a student of UIN Jakarta, my full name is Rafiulhaya Al-'Abid. This year I am 20 years old, in other words my productive age. I do not have any serious congenital disorders or illnesses and I am in good physical and mental health. I have an interest in languages and cataloging, and have little interest in the world of information and technology, but I have basic skills in those fields, both in installing and running software. I also have basic skills in English and Arabic.
